

Compliance Reporting Addendum

Synthetic addendum - fixed deadline monitoring test

Addendum ID	CRA-2026-008
Issue Date	September 28, 2026
Applies To	Compliance reporting obligations for FY 2026

1. Quarterly Compliance Report

- 1.1 The Service Provider shall submit the Q3 compliance report to the Compliance Manager no later than October 6, 2026.
- 1.2 The report must include a summary of material incidents, access-control exceptions, and unresolved audit findings for the quarter.

2. Annual Audit Evidence

- 2.1 The Service Provider shall deliver the annual audit evidence package no later than December 15, 2026.
- 2.2 The evidence package must contain the access review, incident register, change-management sample, and backup restoration record.

3. Certification

- 3.1 The Compliance Lead must sign the annual compliance certification by December 20, 2026.

4. Reference Information

The Compliance Manager may provide formatting guidance from time to time. Such guidance does not alter the deadlines stated in this Addendum.

5. Test Interpretation

Testing note: On October 2, 2026, a 7-day deadline monitor should identify the October 6 obligation as approaching while leaving the December obligations outside the warning window.
